

Term 5 - Year 6

Homework

This term Year 6 have their SATs in week 5.

In order to prepare them for this, to give parents an idea of the type of questions that the children will be answering and to identify any areas that the children may need help with, homework this term will be different from normal.

Each week the children will be given two booklets, one Grammar, Punctuation & Spelling Revision & Practice Booklet and one KS2 Maths SATs Daily Practice. These will need to be completed and handed in by the following Friday.

If the children come to breakfast club and would like some help with their homework they are welcome to complete these booklets as early morning work during this time.
