

MATHS MANIA

This term we have enjoyed learning more about fractions and had great fun using manipulatives to explore

equivalence. We are getting much better at reciting our times tables (x2, x5, x10, x3) but we need to keep this up as it really helps all of our maths learning. We have started to learn how to tell the time (using our x5 times tables knowledge) and can now use the watches some of us were given as Christmas presents.

ATTENDANCE

Cobras 97.5%
Zebras 96.6%
Owls 96.1%

You have earned an extra
10 minutes playtime.
Keep up the good work!

Parking Around School

We have had concerns raised by local residents that parents are parking unsafely in Walton Rd and Black Bull Rd. Some cars are being parked on double yellow lines and the Zig-Zag lines which is unsafe.

Please can you ensure that you do not 'pull up' outside the school gate in the middle of the road to drop off children as this is unsafe for your child and for you as we have cars coming around Walton Rd corner that have to break suddenly behind you.

We say farewell to Mrs Collie our Foundation teacher who leaves us this term. She has had a lot of fun with the Elephants and will miss them lots. Mrs Collie leaves us at the end of next week. Mrs Davey will be teaching until our new teacher, Miss Hoare arrives at Easter.

Following a period of absence Mrs Hodge will be leaving the School. As you will be aware, Mrs Hodge, has worked at the School for many years and we would like to thank her for her contribution and wish her well in her future endeavours.

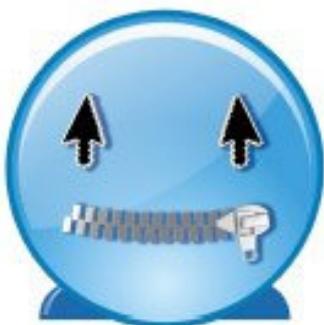

www.saferinternetday.org

Safer Internet Day is next Tuesday.

On this day we will be teaching children how to keep themselves safe online. The internet can be an amazing tool and be used in so many ways from playing games, finding information to shopping and keeping in touch with friends. However there are some dangers and children need to know how to identify the risks and how to report anything that might upset them.

Have you seen this button?

This takes you direct to the Child Exploitation Online Protection centre. If you are worried about what you see or experience online, you can report it to CEOP who will give you advice or work with the police to take further action.

ZIP IT

Keep your personal stuff private and think about what you say and do online.

BLOCK IT

Block people who send nasty messages and don't open unknown links and attachments.

FLAG IT

Flag up with someone you trust if anything upsets you or if someone asks to meet you offline.
