Term 1 Week 3
September 2017

Dear parents and carers,

Another great week at Mundella Primary School.

This isn't just what I think, these words reflect the feelings of almost all of the people that I have managed to speak to over the last few days. Pupil, parents and staff are letting me know how things are going and how much they are enjoying the new year so far.

I have also been pleased to hear from people who have been finding things difficult or not quite as they expect. It is only by parents and carers speaking to the office, to teachers and to support staff; at Mundella, that we can work together to help make the improvements that we all want to see and try and resolve any issues that arise.

Working together was clearly in evidence at our super Harvest Festival. The number of additional helpers that we had certainly ensured that the journey to and from the church went without a hitch. The service was lovely and I look forward to even more opportunities for the children to do things at St. Johns.

Here's to many more happy weeks at Mundella.
