Term 3 Week 3
January 2018

Headteacher: Mr F Westmorland
Chair of Governors: Mrs A Ellerby

Dear parents and carers,

There is never a quiet week in a Primary School but this week has been particularly busy. Often the work that the school team put in happens outside of the usual school hours with people completing planning, marking preparation and putting together displays.

On Tuesday Mundella Primary School had some visitors from the education department. Although we were confident that they would be pleased with what they would see you can never be too sure.

However, I am pleased to say that the whole team; pupils and parents included, shone and all comments were overwhelmingly positive.

So, on behalf of the Governors and Leadership, I would like to give a big thank you to the Mundella Team.

Mr Westmorland - Headteacher

Well done to our Stars this week!

These children have impressed their class teachers in some way this week and have been awarded the title of 'Star of the Week'!

Recycle with Michael

We will be having another collection on 1st March. If you wish to recycle any unwanted clothing, please collect a bag from the school office.

Our next coffee morning is on Tuesday 30th January at 9am. All parents are welcome to come along and have an informal chat with us over coffee and biscuits.

Parking

When parking at or near the school please be considerate of the residents in the area and ensure that you leave the zig zag lines outside of the school clear for children's safety.

It can get busy at school times we know but this is to ensure everyone's safety.

Thank you.

E-Safety

It is illegal to have an account on social media if you are under 13, this includes things like Facebook, Twitter and Snap Chat. You should also ensure appropriate age categories are set up on systems such as X-Box Live.

If you do allow your child to use any social media it is your responsibility to keep them safe.

Head Lice

Head lice are such a common problem for primary children, and schools are the perfect place from them to spread to others.

Please just take 10 minutes over the weekend to check your child's head for lice, if you find anything make sure you check all other heads in the household too and treat as soon as possible as this really will help.
