

Dear Parents/Carers,

Being physically active is really important for body and mind. At Mundella we try to ensure that pupils get opportunities, each day, to move around, play games, flex and exercise and help to keep their bodies healthy.

You will have noticed that we have our nice new play surface. Although we have experienced some teething problems these were not completely unexpected as the surface is far from being flat or level. We are pleased that our children are making the most of it using it for both sporting and gymnastic activities.

You will all get an opportunity to get involved in some physical activities on Friday 24th May by taking part in our Mun Fun Run, in aid of The Meningitis Trust. Parents are welcome to join us on the school field from 2pm. Pupils will be doing circuits of the field and keeping track of these on their own cards (you are welcome to have one). They will be representing their houses and a range of countries from across the globe. Laps will be counted up and we will be able to announce the team totals.

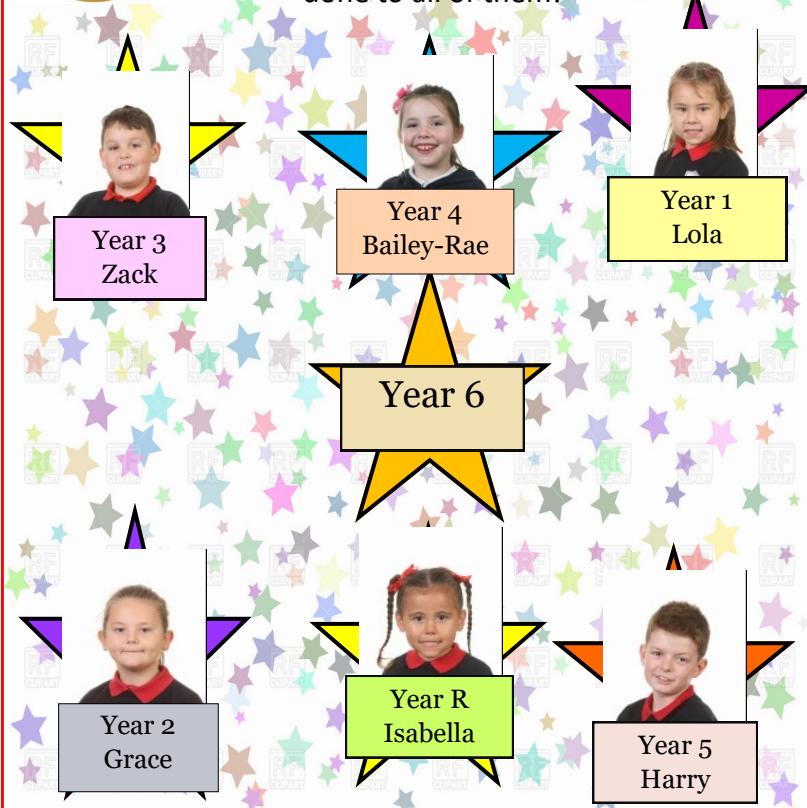

A big shout out to our Year 6 pupils who represented the school fantastically in the way in which they behaved and performed in their KS2 SATs tests. We are very proud of them.

Thank you for your continued support and have a great final week of term

Mr F.E Westmorland
