Single Equality Statement

This Single Equality Scheme for schools in Mundella Primary School provides a format for addressing the statutory duties of the Equality Act 2010 and The Children and Families Act 2014. This supersedes and brings together all previous statutory duties in relation to race, gender and disability and also addresses the duty to promote community cohesion, thus meeting the school's statutory duties in these areas.

Our Access and Single Equality Scheme is available to view and download on our website.

Governor Statement

The Governing Body of Mundella Primary School works as a 'whole team', meeting 6 times per year; spread evenly across the year, without any separate committees excepting finance. In addition to these meetings, we have termly Governor Monitoring Visits (GMV); usually lasting around four hours and organised to effectively observe, scrutinise, challenge and support a range of school activities and personnel.

An agenda for each meeting and GMV will include all the tasks which the governing body is required to consider, and the governing body will plan assignments or activities; arising from the business of the meeting or that fall into the annual monitoring schedule, which will be recorded in the minutes and then undertaken as directed.

In addition to 'commissioning' activities or actions on their behalf, the governing body may wish to delegate monitoring activities to 'monitoring pairs' or 'individuals'. This could apply to statutory functions, and/or the priorities of the School Plan. They may also arrange to visit the school, or attend school activities, at any time; at the discretion of the Headteacher, to undertake monitoring activities as and when they are available to do so.

In each case, where a function has been delegated there is a statutory duty to report any action or decision to the governing body at the next meeting.

Rationale

This document has been written to inform Governors and Parents of Mundella Primary School of the School's policy for Collective Worship. Each member of staff is expected to review and consult this document to ensure consistency of approach.

Legal Basis

The Education Reform Act 1988 requires that all pupils should attend a daily act of Collective Worship. This may take place in a number of groupings – whole school, class or Phase groups. The acts of worship are broadly Christian in content but respectful of those with other or no belief systems.

Parents have the right to withdraw their child from the daily worship if they wish. Any parents who wish to do this should contact the Headteacher.

Aims

The worship at Mundella Primary School aims to promote the spiritual, moral, social and cultural development of the children. It closely follows the schools values, which are;

Caring, Creativity, Respect, Independence, Collaboration and Honesty.

Objectives

The aim of collective worship is to provide pupils an opportunity to:

- Reflect on values that are of a broadly Christian nature and also on their own beliefs
- Develop a community spirit, a common ethos and shared values
- Consider spiritual and moral issues
- Respond to the worship offered

Length

Collective Worship should last for fifteen minutes on most occasions, although a special event, such as Harvest or class worship may require longer.

Planning and recording

Worship is planned by those leading the activity in line with school values (one per term), themes that reflect the school year, topics within school or respond to a social or school need at the time.

Evaluation and Monitoring

Both the planning and the delivery of Collective Worship will be evaluated and monitored on a regular basis as part of the ongoing monitoring in school and also within Governor Monitoring Visits.

The Headteacher is responsible (under the Schools Standards and Framework Act 1998) for arranging daily collective worship after consulting with the Governing Body. Daily worship will be wholly or mainly of a broadly Christian character. The precise nature will depend on background, ages and abilities of the children. Collective worship will:

- Be acceptable to the whole community, staff and pupils.
- Include a variety of elements at different times.
- Involve the pupils.

The school will review this policy annually and assess its implementation and effectiveness. The policy will be promoted and implemented throughout the school.
