Dear Parents / Carers,

### Coming soon: Online payments to school with ParentPay!

Starting next term from **Monday 5<sup>th</sup> June** we will be introducing a different way to pay for school meals, and other school items online, using a secure service called ParentPay.

ParentPay will be live at school on **Monday 5<sup>th</sup> June**; from this date we will be working towards no longer accepting cash and cheque payments, making the school a cash-free environment. Parents who need to continue making payments by cash may do so using the PayPoint network at local convenience stores.

### Making secure payments online using your credit or debit card

ParentPay offers you the freedom to make payments whenever and wherever you like, 24 hours a day, 7 days a week - safe in the knowledge that the technology used is of the highest internet security available.

You will have a secure online account, activated using a unique username and password; you will be prompted to change these, and to keep them safe and secure. If you have more than one child at our school, or children at other ParentPay schools, you can create a single account login for all your children.

Making a payment is straightforward and ParentPay holds a payment history for you to view at a later date; no card details are stored in any part of the system. Once you have activated your account you can make online payments straight away.

### Taking cash by PayPoint

PayPoint payments are recorded by ParentPay and can be seen by logging into your ParentPay account and viewing your payment history online. The nearest PayPoint stores to school are Mace, Black Bull News, Spark and Tesco Express.

If you wish to use the PayPoint facility please notify the School Office, we can issue a barcode letter to you. If you would like something more permanent a plastic card can be issued to you to make cash payments for school meals at local PayPoint stores. Each payment card costs £1.50 + VAT, including replacement cards if lost or damaged, and takes about two weeks to arrive.

Trip and activity information letters will carry a unique barcode which will allow you to make cash payments at your local PayPoint store.

We hope you will support us in achieving our goal to become a cashless school and reduce the workload on our staff. Your support in using ParentPay will help the school enormously, thank you. If you need to make payments by cheque, please contact the Finance Office.

**You will receive your unique ParentPay Account activation details w/c 15<sup>th</sup> May**

## ParentPay FAQs

- **When can I log in to my account?**

Once you have received your activation letter from school with your activation login details you will be able to activate your account and start making payments. This letter will be sent to you soon by your school.

- **Which cards can I use?**

ParentPay accepts MasterCard, Visa and American Express credit cards, and Maestro, Switch, Delta, Electron, Solo and Visa debit cards. Some schools may limit the use of credit cards for some transactions; you will be informed by the school directly of any such restrictions.

- **Is it safe to make payments on the internet?**

Yes. ParentPay uses leading technology to process your card transactions securely. All communication with the bank is encrypted and neither ParentPay nor the school have access to your card details.

- **How can I check that it's secure?**

Standard website addresses begin with *http*: the address for a secure site will always begin with *https*. You will also see a padlock at the bottom/top right of the screen on our login page and after you have logged into your account; never enter your card details or personal data on any web page whose address does not start *https*.

- **What about our personal information?**

ParentPay Limited, and its group companies, operate in full compliance with Data Protection Law; Including the Data Protection Act 1998 and the General Data Protection Regulation (EU) 2016/679.

The ParentPay Terms and Conditions include a Data Processing Agreement (DPA), compliant with the GDPR, which details both parties' obligations relating to Data Protection.
