

Year 1 Term 4 - (HISTORY)

In this unit, the children will build on their previous learning about buildings in the local area. They will study castles in Kent including Sandgate, Deal and Dover. The children will learn the different features of a castle and key facts about the different castles they are focusing on. They will understand why each castle was important and when they were built. The children can create a map of the castles in Kent and understand why they are located on the coast. Finally they will make comparisons between the castles, discussing their similarities and differences. As part of the unit, they will visit a castle in

ENGLISH

We will start this term by exploring the story of Zog by Julia Donaldson. We will rewrite the story and then create our own stories based on it. We then then explore information texts and write our own all about

DT

In this unit, the children will begin to learn about freestanding structures. They will explore different types of castles and find out about their features. They will design a castle

MATHS

This term, we will be concluding our learning on addition and subtraction to 20, understanding concepts such as more and less and using number lines to help us add and subtract.

We will be recognising and counting numbers up to 50 in both numerals and words. We will apply these numbers to solve various problems, including finding one more and one less, and comparing numbers using 'less than' or 'greater than'.

SCIENCE

In this unit, children will identify, name, draw and label the basic parts of the human body and say which part of the body is associated with each sense. We will be investigating how

COMPUTING

This term, we will be using iPads to create digital painting pieces. We will be using different brushes, shapes and colours on the app.

MUSIC

All the learning in this unit will focus around the song Round and Round. We will be listening to songs, appraising what we hear, and performing the song by singing and

RE

This term we will be exploring what Bible stories are and why they are important. We will learn about what Christians believe and how Bible stories help teach key values and

PE

Our outdoor PE sessions this term will focus on Tennis with a coach.

Our indoor PE sessions will focus on

PSHE

We will be completing the My Happy Mind unit about appreciation, which involves exploring the importance of gratitude. In No Outsiders, we will be exploring the
