Term 2 Week 1

November 2021

Dear Parents/Carers,

Would you know what to do in an emergency? What are the hazards near the water? How do you keep safe on the roads? What things promote good wellbeing?

These are just some of the questions that our pupils have been considering in our Safety Week. As well as journeying into our community and considering what signs are there to help us stay safe and how to be safe at the railway station, children have listened to a safety talk from the RNLI and undertaken a broad range of activities around personal safety, online conduct and care during dark nights and around fireworks.

We are also really proud that all of our children were able to take part in First Aid training with Mini First Aid (you may have seen them on Dragon's Den).

I am really proud of the way the pupils focussed and listened throughout the first aid training and particularly pleased with those that helped to demonstrate their learning to some of you who managed to come in to school on Thursday. It would have been lovely to have even more pupils sharing but I am sure that, if you ask them, they would be more than willing to wrap you in bandages.

With the festivities of Bonfire Night occurring for many people I ask that you stay safe, respect others and be considerate of pets, particularly dogs.

Have a great weekend,

Mr F. E. Westmorland
