

Year 2 Count in Steps of 2s, 3s, 5s and 10s Place Value Maths Mastery Board Game

Instructions

Each player has a game board.

Players take it in turns to choose a card. They then write the number in as many spaces as they can on the board.

If a player turns over a star, they have free choice and can choose any number between 1 and 30.

The player with the most numbers written in the multiples sections on their board at the end of play is the winner.

Non-Multiples (No score)	Multiples of 2	Multiples of 3
	Multiples of 5	Multiples of 10
