Term 3 Week 4
January 2019

Dear Parents/Carers,

Are you a morning person or a night person? Are you both? I have always 'suffered' from waking at silly o'clock and, no matter how late I stay up at night, I always seem to wake at about 5am. In addition, I tend to be quite with it first thing in the morning.

Children often find the start of the day quite a challenge but experience has shown me that the better start to the day they have the more productive and successful a time they will have in school.

At Mundella Primary School we are really making an effort to support families in ensuring that children get a good start to the day. The introduction of the fruit scheme, in September, has seen many pupils adding to their healthy intake; their only fruit of the day for some. We are now really pleased to have added the bagels.

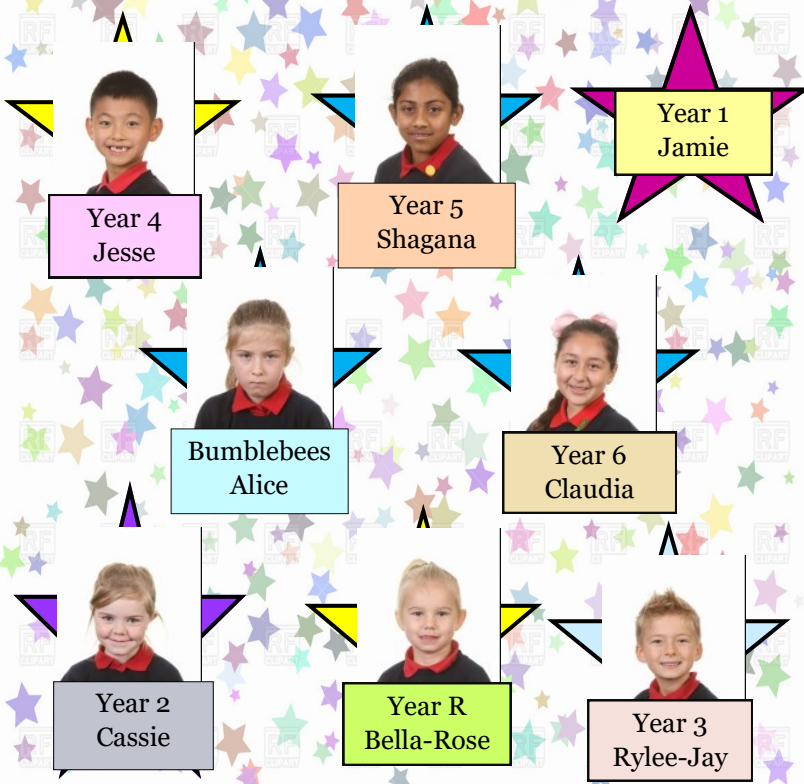

Healthy slow burning carbohydrates enable children to have sustained energy for the start of the day and help to support concentration. Along with increasingly healthy choices at lunchtime, our pupils are now giving their bodies the best chance they can have.

There is always more we can do but, a big thank you to the staff and organisations that have made this happen.

Free Breakfasts

The free school breakfasts started Monday this week and they have been very successful! We have had lots of children on time for their bagel and we will be continuing with this service. Please remember to have your child at school from 8:30 to 8:50am if they wish to have a breakfast bagel in the mornings.
