Term 2 Week 3
November 2018

Dear Parents and Carers,

No matter how many years I work in education; nearly 25 years now, and no matter how many young people and families that I have worked with over that time; nearly 3000, I can never escape the sinking feeling that I feel when I hear that a child has been injured near the school.

Last Sunday there was an accident outside of the school where a child was in a collision with a car. When I saw the alert on the internet many thoughts crossed my mind. Of course our thoughts and prayers go out to the child involved; and their family, but I am relieved that one of our community wasn't directly involved.

Accidents happen quickly and can have long lasting effects. With the changes in weather and the darker nights, please take extra care of your children and avoid them being a heart-breaking statistic.
