Term 3 Week 4

January 2022

Dear Parents/Carers,

May I start with a Big Thank You . . . **THANK YOU!**

I was really pleased that so many of you found the time to attend and contribute to our first virtual Parents' Forum on Wednesday of this week. I felt that it was very successful and that the questions and topics that were discussed were truly worthwhile and have already contributed to improvements to Mundella Primary School.

May I also thank you for being so positive about the plans for the Jubilee Celebration on Friday 27th May. I hope to start a WhatsApp group dedicated to this and then we can progress with ideas around funding commemorative gifts and planning the festivities.

Before our Jubilee Tea Party, we are also looking forward to our Spring Fair on Friday 1st April, the last day of Term 4, you will be able to pick your children up from the field at 1:30pm and then enjoy a variety of activities before going home. More details to follow!

Needless to say, I would hope that you feel confident to share ideas or concerns with us at any point in the year however I feel that a meeting online, each term, will really help to ensure that you have the maximum opportunity to get involved and stay informed.

Have a great weekend

Frazer E. Westmorland
