Term 6 Week 1

June 2021

Dear Parents/Carers,

Hot, Hot, Hot!

It is set to be a particularly hot weekend but thank you, already, to parents whom have been applying sunscreen before school and providing named hats for children to wear when they are outside. As we try to increasingly make the most of our outside spaces it helps us to feel more assured that children will be less likely to overheat and enjoy their opportunities to be at the field.

As there seems to be an increase in numbers of people contracting Covid 19; albeit slow, it does go to show that our continued adherence to one-way systems, regular cleaning, fewer pupils in the hall and good self-hygiene was the right decision. Therefore, we will not be easing any of these initiatives before the summer break. I would ask that you please wear a face mask whilst on the school site and maintain a sensible social distance whilst queuing to come into the playground.

We all look forward to regulations being relaxed but where we can do our bit towards this goal, we should.

Have a great weekend and be sun safe as you do.

Mr F. E. Westmorland

Reminders

-Please ensure your child has a water bottle with them in school. It may be a good idea for them to have a hat and some sun cream for lunch time play.

-We still have some slots available for parents evening. Please ring the office as soon as possible to book your place. If you are unable to attend we can arrange a telephone slot with the class teacher instead.

-If you had any trouble accessing the free school meal vouchers over the half-term, please let us know as we are able to print them out for you.

Year 2 Tie-Dye

Here are some lovely photos of Year 2 during their 70's tie-dye session from decade's week. They had a great time dyeing their own groovy headbands!

Scholastic Book Fair

The Scholastic Book Fair will be arriving on the 30th June, more information will follow next week. We will be sending out a link with the option to place book orders online from Wednesday 16th June.
