Term 1 Week 6

October 2020

Dear Parents, Carers and friends of Mundella,

Where has this week gone? It's amazing how some weeks feel as if they have lasted a month where as others fly past in what feels like the blink of an eye.

However speedy this week has felt it has still managed to be full to the brim of exciting escapades, interesting imaginations and magical moments.

It has been great to see how excited our pupils in reception class are day after day when they are coming in to school. The energy that they appear to have, even on a miserable morning, seems limitless. Homework has certainly shown a great deal of imagination and interesting interpretations whether it's Roman shields or Egyptian landscapes.

Magical moments . . . well, some of those may have come from seeing, first hand, the Outdoor Learning. Mr Evans and Mrs Jackson are certainly ensuring that the magic of learning is maximised during these sessions.

Have a magical weekend.

Mr Westmorland
