Term 1 Week 4

September 2020

Dear Parents, Carers and friends of Mundella,

As we move closer towards the end of the month and face increasing restrictions due to Covid 19 it isn't unreasonable for us to reflect upon the things that we can do to ensure that our pupils are safe and that the school remains open.

As yet, we have not been significantly affected by instances of corona-virus and, where testing has been needed or anxieties high, minor issues have been resolved rapidly. We must, however reduce risks where possible.

Maintaining social distancing, using the systems around picking up (including masks, keeping right and turning right) will all help to reduce the possibility of illness or closure. However, we must not lose sight of the normal safety measures and considerations that we must stay on top of.

Please do not smoke near the school site (particularly when it is busy), do not park on the yellow zig-zags (this is illegal), try to walk in or park further away (to avoid congestion).

The last thing that we want is for pupils to lose even more weeks of learning.

Mr Westmorland

Allergies

Please remember that we are a **nut free school** as we have children with severe nut allergies. Please do not include any nuts or nut products in your child's lunch box, thank you. If your child has any allergies that the school needs to be aware of then please contact us.

Reporting Absence

In the event of child absence, please contact the school office in the morning to let us know the reason for not attending school. This avoids unauthorised absences.

Coats

Please ensure your child brings a coat with them to school now that we are headed towards cooler and wetter weather. They will need it for outdoor play and outdoor learning.
