

Dear Parents/Carers,

I know that you may imagine that I'm disappointed at coming a close second in the Staff Race; to a young, fit and energetic teacher, but I'm not in the least (well maybe slightly). Indeed, with what must have been nearly 180 family and friends attending, the sports day must have been one of our busiest and best in recent years.

As we wind our way towards the end of term it gives us time to reflect upon the journey that we have been together. I am fiercely proud of the Mundella community and always confidently let other people know about how fantastic a school this is. I have never worked with a team that cared as much about the school and its pupils than the team that we have here. You too, as active members of our community, should take great pride in the school and bang the gong about the successes that we have achieved together.

After being unfairly panned by Kent Online earlier in the year, I look forward to sharing with you; and with the greater community, how well we have performed within statutory assessments this year. We may not yet be crossing the line first for SATs results and Phonics scores but; much like the races on sports day, we are proud of the way in which our pupils and staff team have worked in order to ensure that children are ready for the next steps in their learning journeys in all areas of learning; not just in their capacity to do tests.

Have a good week and I look forward to seeing many of you at end of term events.

Mr F Westmorland

Year 2 Charivari

A huge thank you to all the parents who came along to celebrate the Charivari with the children on Saturday 6th July, we had around 18 families who joined in with the fun! A big thank you also to those who attended the Charivari workshops and helped the children create their fantastic costumes, the afternoon was a great success.
