Term 6 Week 2

June 2021

Dear Parents/Carers,

Well, on the one hand I won't need to water the plants today; and probably tomorrow, but on the other hand my lawn is currently so deep you could play hide and seek in it!

The weather is never entirely predictable, but it is important that we make the best efforts for our children to have the right clothing, including footwear and hats, as well as slapping a little sun cream on when needed. Choosing the best option when the weather is so changeable isn't easy but, as long as we communicate, we can usually sort things out if something is forgotten or missed.

This is also true of decisions in school. Catering for the needs of almost two hundred young people and their families can be tricky but with honest, open and friendly communication it is much easier to make the school run smoothly. It will always be the case that I welcome support and suggestions for how to improve the school and I welcome the opportunity to review our school P.E. policy. Like all policies in school, if changes are adopted they can only be successful with the supportive actions of the school community.

We look forward to many positive changes in the year ahead; breakfast and after school club, community use of the field to name but a few, but these initiatives will need your cooperation to see them succeed. Suggesting changes is the easy part, supporting changes to be a success need a little more effort than simple words or comments on social media. I know, however, that we are a community of people who are never afraid to put in the physical work needed to improve the school and ensure that Mundella Primary School, and the pupils and staff within, continue to thrive and succeed.

Mr F. E. Westmorland

Scholastic Book Fair

Phase 1 Book Fair will be open on 1st July, Phase 2 on 5th July and Phase 3 on 6th July in the Rainbow Room. We will be asking that just 1 family comes in at a time and to minimise handling of the books.

We encourage parents to fill out an order slip that has been handed out this week and make payments online in advance if possible. Please click [here](#) to view the selection of books that will be for sale and click [here](#) to make an online payment. Order forms must be filled out and returned to the office once you have made your online payment, this is so we can distribute the books to the right people when they arrive. If you need another order form, please collect one from the office.

Reminders

-Please remember it is the parent/carer's responsibility to call the school office each day of your child's absence. This should be done, ideally, before the registers are taken at 8:50am.

There is an option to leave a message on our absence line or if you would prefer you can speak to a member of the office team. You can also text or email us at office@mundella.kent.sch.uk.

-The Year 6 Residential final balance is due on **2nd July**. Please let us know if you have any issues or would like to know your outstanding balance.

Road Safety Outside School

Please ensure you are driving safely and considerately around the school site, especially during drop-off and pick-up time. The area can get very busy with lots of children so it is important that drivers are careful at all times,
Thank you.
