Term 5 Week 2

April 2021

Dear Parents/Carers,

It's Friday and we are all ready for a long weekend of Bank Holiday fun. What will you be doing?

My wife, as it happens will be walking over the O2 on Saturday afternoon. I am not entirely sure of the weather forecast but, as it is a bank holiday, it will no doubt be cloudy and rainy.

We mustn't, however, allow the weather to get in the way of making plans. Indeed, today I was lucky enough to have a Year 6 parent pop in to talk about plans for our 2021 leavers. All of the children have had a disrupted year and it is clear that we all want to make sure that our leavers, not only move on prepared for their next chapter in their learning journeys but also get a send-off to remember.

The hope is that we can utilise our improved field facilities to host a celebration event worthy of them and their families. With your help; through fundraising and support, we can make our ideas become a reality.

Your support is also welcome as we take our steps towards becoming an academy and joining the Veritas Trust. Keep an eye on your school texts as later in the week we will send a link to meetings all about becoming an academy and what it will mean. **There will be one meeting at 2:30pm and one at 5pm.** I do not anticipate that they will last more than half an hour to an hour.

So, enjoy the sunshine (fingers crossed) and I will see you next week.

Mr F. E. Westmorland
