Term 4 Week 6

April 2019

Dear Parents/Carers,

We made it to the end of this term and children have all been working even harder than the last. Topic books are full of fantastic work and maths books are creative and show lots of examples of problem solving (take a look, they're brilliant). Indeed, both the pupils and the Mundella team deserve a break.

These larger holidays always fill me with a certain amount of anxiety about pupils staying safe. With road, rail and sea all being significant parts of Folkestone it is important that children know how to keep themselves safe whilst still making the most of the fantastic opportunities that there are in our area.

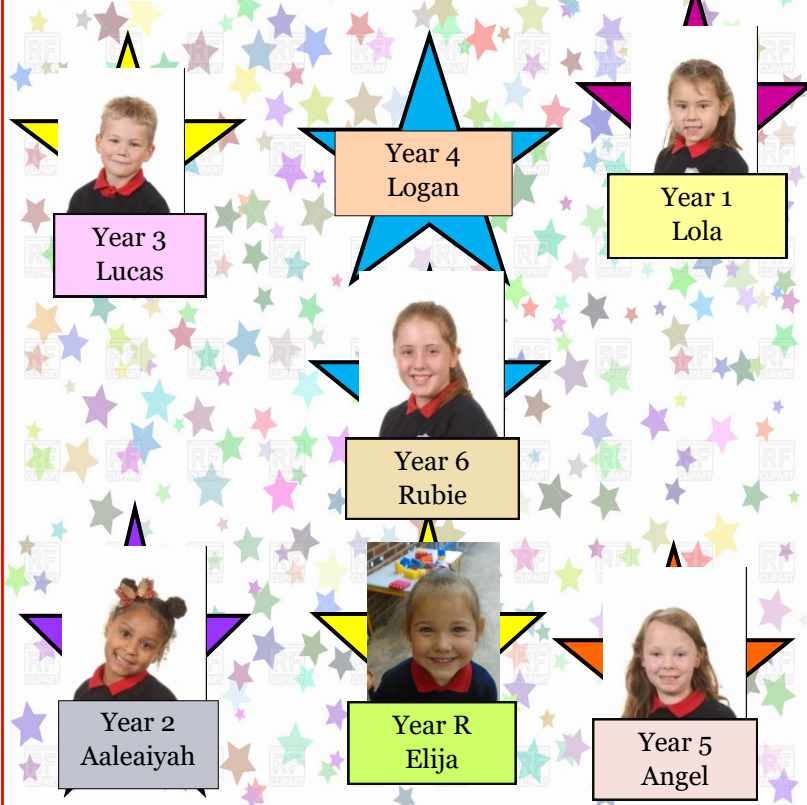

Whilst considering safety, I would like to remind families that it is really important to keep the area around school as safe as possible around drop off and pick up time. With the best will in the world children will always want to run on, climb, squeeze through and hide as they make their way to school. Please do your part by ensuring your young ones take care when walking to school and, if you are a car driver, be additionally considerate when driving close to the school and when parking or pulling away.

We know that parking near to the school entrance is always an issue; please be considerate of our neighbours (whom are often returning from dropping their own children when our school is busy) and also be vigilant in tight spots just in case a little one is hiding or out of your vision.

Have a great Easter and we will see you on Tuesday 23rd April. Mr Westmorland :)

Well done to our Stars this week!

These children have impressed their class teachers in some way during this week, well done to all of them!

Punctuality Pup and Attendance Ted!

With 95% attendance this week, Year 3 will be looking after **Ted**—

Attendance

Attendance has been up and down this term so far, we hope to see some more classes in green next term!

House Events

The children took part in spring themed assault courses on Thursday for this term's house event with **Fire** house being the winners! **There will be a tag day for everyone in Fire house on Friday 26th April.**

School Communication Survey

We are working to improve our communication between school staff and parents, to do this we really need your help. We would appreciate your feedback and any suggestions you can offer.

School reports have been distributed today (05/04/19) and inside the envelope you will find a very short questionnaire. We would be very grateful if you could complete this and return it to the school early next term.

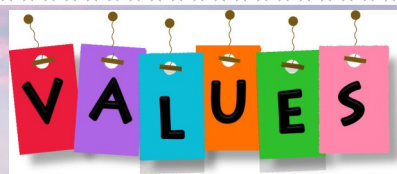

This questionnaire will also be available on our Facebook page and we will send the link via text. Please click the link below:

Easter Celebrations

Thank you to everyone who came along to our Easter church service at St. Johns on Tuesday and a huge well done to all the children for their excellent behaviour and performances!

The children had a great last day of term making Easter Bonnets in the classroom with parents ready for the parade in the afternoon. The creativity was amazing!
