Dear Parents and Carers,

How much pride can you fit in to one room? Well, on Thursday morning we stuffed the pride of around 120 parents and family members, nearly 60 children and, to be quite honest, the pride of a whole school into our little hall.

Seeing our youngest children perform was absolutely amazing. Not only did they remember their words, movements and melodies but they also behaved brilliantly and demonstrated collaboration, communication and creativity throughout.

It isn't easy to stand up in front of a group of adults but; considering the eldest of them is only just 6 years old, our little performers set a very high bar for the rest of the school to reach next Monday in our Christmas service. However, I know they are more than up to the challenge. Have a great weekend.

Mr Westmorland - Headteacher

These children have demonstrated a clear understanding of, and worked hard to live by the school values this term, well done to all of them!
