Term 1 Week 5

October 2020

Dear Parents, Carers and friends of Mundella,

What a wet and windy week it has been (a bit of alliteration there for the children) but what a productive week we have had, regardless of the weather.

I hope our pupils in Y1 upwards told you about our fantastic performance of The Wizard of Oz that was brought in by M and M productions. They normally come to see us throughout the year but this particular show was very different (go on, ask your children).

On another note, there is a chance for you to get more involved with the school as a Parent Governor position has become available. If you are interested in becoming a governor please let the office know and then we can start the ball rolling with an election; hopefully less "shouty" than the one across the Atlantic.

Lots to look forward to, half term break (two weeks) and then Parents' Evenings just after we return. Have a great weekend.

Mr Westmorland

### Flu Vaccine

There is still time to complete the online form for your child to receive their nasal flu vaccination. Children will not receive the vaccine if you do not fill out the consent form. If you do not opt in or out you may receive a phone call from the NHS Immunisation Team to discuss the process. The online portal will close on the 8/10/20 and no later forms will be accepted. Watch this short film to find out what happens at a nasal flu clinic. [What is the nasal flu vaccine?](#)  
Please click [here](#) for the online form and enter our school URN which is: **118384**
