

Dear Parents/Carers,

Do you remember the trips you went on when you were at Primary School? I can remember a visit to York when I was in Year 5 and a particularly educational visit to Chester Zoo when I was in Year 6. At the time I never quite appreciated what a struggle it was for my family to pay for these trips; let alone the trips that we went on when I was in secondary school.

At Mundella we make every effort to keep the costs of trips and visits to an absolute minimum; a number of them I try to find additional funding for to keep them free, however we often have to ask for contributions towards trips. These contributions are only requested when the costs cannot be covered by other means.

WE are noticing that fewer and fewer families are contributing towards the costs of these trips and, sadly, we are finding ourselves in a position where some of them may well have to be cancelled.

If, as a family, you find yourselves in a position where finding the contribution towards a trip is challenging please speak to Mrs Gretton, our FLO, or your child's class teacher.

Help us to make memories for your children. Have a great weekend.

Mr F.E Westmorland
