

Dear Parents/Carers,

MUNDELLA'S GOT TALENT

This afternoon around 250 members of the Mundella community were blown away by the singing, dancing, acrobatics, comedy and twirling of pupils from across all year groups. Whether you were into Baby Shark or Shotgun (they go together, try singing them at the same time) you would have been highly entertained by our brilliant performances.

It just goes to show that creativity, artistry and performance skills thrive in Folkestone and, particularly, at Mundella Primary School. In the educational climate where schools feel that they should push aside performance and crush competition it is clear that the pupils at our school both thrive and feel inspired by the opportunities that they are given.

I know that many parents have performance skills and musical abilities, wouldn't it be great if we could organise a show up on our field . . . Maybe in the first term after the summer holidays. Just a thought.

Have a great weekend

Mr Westmorland
