

Dear Parents/Carers,

"There's no I in team . . . But there is in pie, meat pie!"

This is a quote from one of my favourite films; not that the film is my link for the weekend. Team work is really important and, at Mundella, we have a fantastic team. Pupils, parents, staff and governors all pull together to ensure that we make the most of the time that Mundella children spend in school.

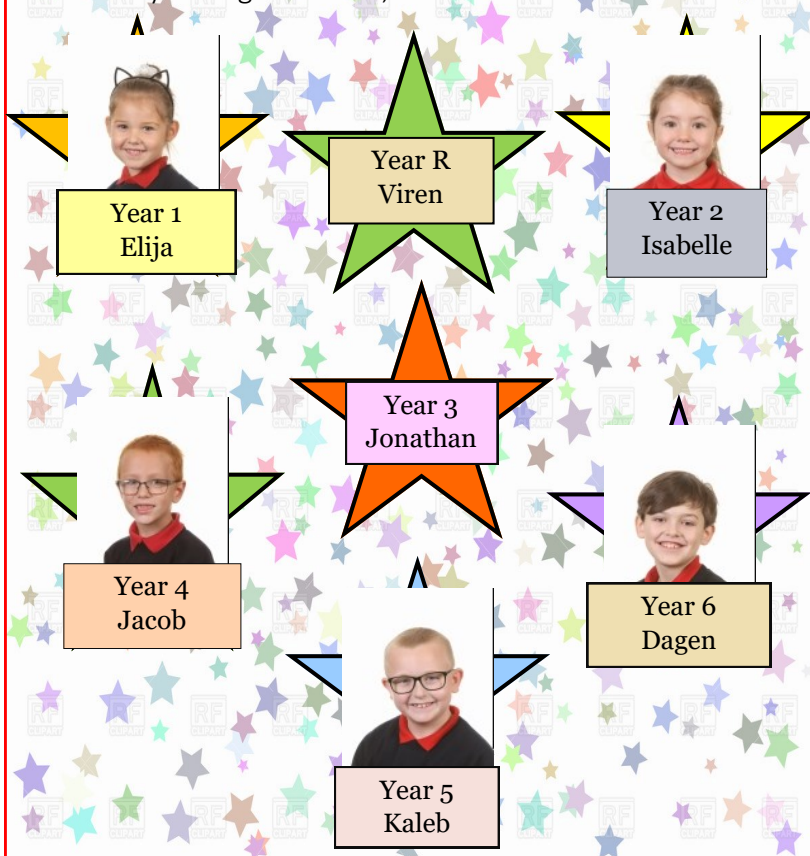

Pupils have been on training this week so that they can be leaders in sports and help to make our teams more successful, parents have helped on a number of trips; without whom we would not be able to take advantage of opportunities for visits, our staff team go out of their way to ensure that activities and lessons are as engaging as they can be; look out for all sorts of historical experiences next week, and our governors not only do a fantastic job keeping me in check but also find the time to support activities across all areas of teaching and learning.

Indeed, teamwork makes the dream work. Have a great weekend. (house point if you can guess the film)
