Term 6 Week 2

June 2022

Dear Parents/Carers,

What a busy couple of weeks we have had at Mundella and what a busy few months we have ahead of us!

I hope that you have been making the most of the warmer weather and that the celebration opportunities for the Jubilee were well spent and memorable.

I was pleased that the school was able to provide each child with a commemorative Queen Elizabeth coin but, in addition to these, the government has printed a book for each of them too. These are really nice additions to their memory boxes and may be future collectibles!

Unfortunately we will not be able to run our Summer Club this August. We had every intention of providing a similar service to last year but we will be 'enjoying' some considerable building work instead.

Indeed, we have been fortunate enough to be provided with the funding, over £400k, to complete some building projects around school. The first project will see a number of doors and walls replaced and improved across the entirety of the school but the second, and rather more exciting, will see the building of a new school entrance and reception area.

Although the second project is not likely to be completed before Christmas, when finished it will mean that visitors will enter school from Black Bull Road, down the side of the school and enter via a new vestibule and front office. This project has been wanted for a long time and we are pleased that our joining Veritas MAT has enabled it to become a reality.

Have a great weekend and remember to stay safe in the sun.

For the last couple of weeks we have been running a toddler group for parents and children on a Wednesday morning at the school field. This has been very successful so far and the children have been enjoying the variety of exciting activities we have to offer.

All parents with children of a pre-school age (not just those with a sibling at Mundella) are welcome to attend from 9-10am, the session is free of charge and great fun!
