

Dear Parents/Carers,

Children in Need . . . What does it mean to you?

Right now, all across the UK there are families that are struggling to ensure that their children have even the most basic of provisions and support; a clean and safe home, healthy food and water, enough sleep, clean clothing, family and friends.

On this day of reflection and fund raising it is worth taking a moment to think about what we can do for others but also what we can do for ourselves.

Earlier in the week the floods in South Yorkshire seriously effected hundreds of homes. Because of their shoes all being downstairs, children were left barefoot as they were carried to the relief centre in the local church. This morning we hear about the break in and senseless and selfish theft from Castle Hill Primary School. A theft that will leave hearing impaired children without the equipment that they need so they may access learning alongside their classmates.

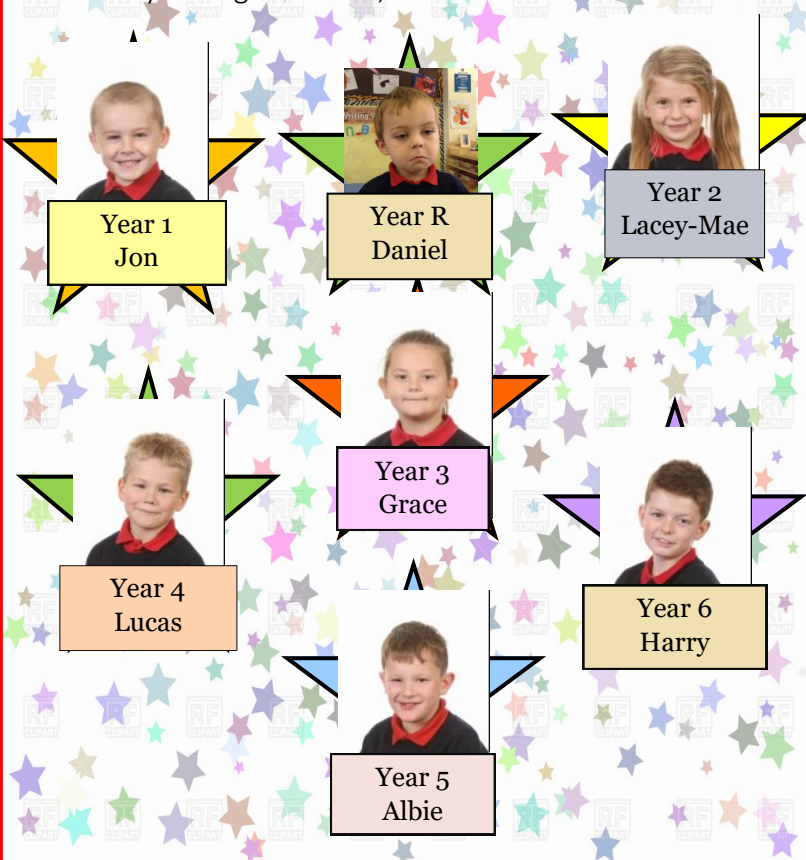

I think about how lucky we are today and hope that when we need help and support somebody will be there for us. So far today we have raised £148 for charity, less than £1 per pupil.

Children in Need . . . What does it mean to you?

Mr F.E Westmorland

### Youth Festival of Remembrance

On Saturday some children from Mundella took part in the Youth Festival of Remembrance choir.

The children were a real credit to the school with their amazing singing and dance moves. They were really well behaved and managed to keep going for the 7 hours they were there! Mrs Driscoll was very impressed.

### Dinner Money Arrears

Please ensure all dinner and breakfast money arrears are paid. If you have any issues then please speak to Mrs Milton. The school has to pay the catering company for all meals ordered and in these times of financial difficulty debts owed to school reduce our available funds for school supplies e.g. 2 weeks of dinner money for one child would buy a box and a half of exercise books.

### Notes:

-Year 5 won a walk on Wednesday prize and Olympian Jack Green will be coming in to school on Wednesday 20th November to do a workshop with the class.
