Term 1 Week -1

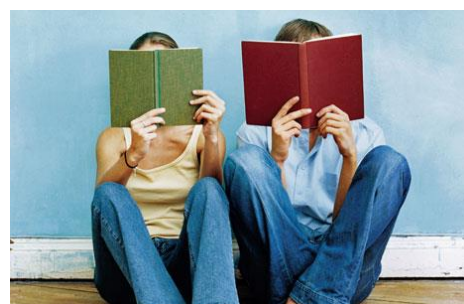

September 2021

Dear Parents/Carers,

Welcome back to a new school year at Mundella Primary School. We hope that you have had a restful and relaxing summer break and that having your children return to school isn't leaving your houses with a sad sense of emptiness. We are most certainly pleased to see our pupils return and are looking forward pressing ahead with all of the exciting topics and themes that we have planned for Term 1.

As always we start our terms with an Off Plan Week that focusses upon the class authors. Each year the teachers choose an authors that have written books that are both interesting and appropriate for the pupils in their classes. This year we have:

Year R	Year 1
Rachel Bright	Giles Andreae
Year 2	Year 3
Michael Bond	Anne Fine
Year 4	Year 5
Terry Deary	Katherine Rundell
Year 6	
Phillip Pullman	

Please ask your children about the authors, click on the links to find out a little more about them and maybe take a visit to the library and borrow some of their books.

It is pleasing to see that many of you have managed to ensure that your children are in full school uniform. It does appear, however, that some pupils may still be wearing clothes that they have outgrown and shoes that are threadbare or inappropriate. Please ensure that our children are in full uniform on Monday and try and put a name on all items.

We will be organising a 'Swap Shop' with donated uniform over the next week or so.

It is typical that the sun should start to shine as soon as we return to school. Please make the most of it this weekend; maybe find the time to pop to the Church Fair and throw a sponge at a local, long haired, headteacher!

Mr Westmorland

St John's Summer Fayre

Saturday 4th September

12 – 3 pm
