# The **Mundella News**

Term 1 Week 1

September 2022

### Dear Parents/Carers,

May I start with a big thank you? Our school has undertaken some significant building work, over the break, and, as yet it is not entirely complete. However, our wonderful team, at Mundella, although unable to come into school until the last two days of the summer break, have managed to reset and ready their classrooms such that our pupils could return happily to school with their tables and resources all (pretty much) back in place.

There is still a significant amount of work to complete but we are hopeful that we will still be able to have a school celebration before February half-term break, at which you will all get a formal opportunity to look around the school and see the changes. You will also get a chance to look at pictures that were taken during the building work and also look through pictures and documents from our archive.

But . . . where did the summer go? Not only do the last seven weeks appear to have evaporated in the blink of an eye, the sunny weather also appears to have gone too. Not to worry, it's almost always sunny at Mundella Primary School!

Have a great weekend and ask your children about their new reading books.
