

Dear Parents/Carers,

As I'm sure many of you may also be considering; I am having a bit of a health kick-start this January. Along with trying to get back to being match fit with my running (it's been a while) I am also keeping an eye on what I eat. Likewise, I am asking that pupils make a real effort to stick to our 'Five Star' lunch.

In order to support them the school council has come up with a collector card for Healthy Lunches. Each day, as long as they make an effort with their school dinner or have and eat a five star lunch, pupils will receive a sticker to put on their collector card. The idea is that when a card is complete, or they get a certain number of stickers, they will get a prize/certificate (yet to be decided).

On the whole lunch boxes are pretty good. It is, however, important that we encourage our children to drink water, rather than squash or fruit juice, and keep 'treats' down to just one item. Treats should not be a chocolate bar.

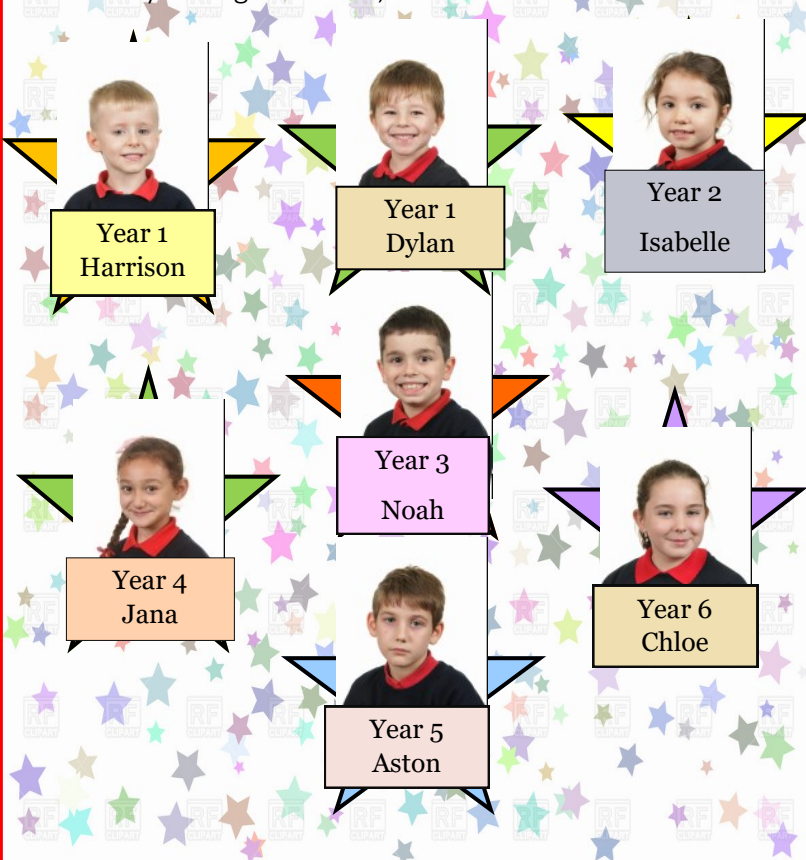

On another note, we have lots of school trips coming up over the next few months. Please could you ensure that letters of consent are signed and returned as soon as possible. It makes it really difficult to ensure that trips go smoothly if we are still chasing up forms at the last minute. In addition, if you feel you are able to support on trips (preferably not your own child's class) please let us know.

Thanks

Mr F.E Westmorland

Well done to our Stars this week!

These children have impressed their class teachers in some way during this week, well done to all of them!

Educational Visits

At Mundella we have developed a rich and broad curriculum which includes opportunities for learning through educational visits and visitors. The bulk of the cost for these activities is covered by the school however, without voluntary contributions (when requested) some of these activities may have to be cancelled and alternative options considered.
