

Dear Parents/Carers,

When you need people most the Mundella Primary School family is always there to support you or offer advice and assistance. It was clear, from the comments provided by pupils and parents during the visit from Ofsted, that our community also recognises the nurture and support that is given by our fantastic team.

It isn't always clear when a child or adult is in need of an ear to listen to them or a hand to help them. Indeed, sometimes people who need the most support give the fewest signals. However I continue to be proud of a team that puts the pupils and the parents of the school first and make themselves as available as possible.

Likewise, I am proud of the greater school community whom also go out of their way to offer support to Mundella; whether it be through volunteering, kind gestures and gifts or just a smile when they bump into people at the gate.

All of these caring interactions contribute to what makes Mundella such a special place and provides a caring atmosphere that is easily identified by all visitors.

Thank you; team Mundella,

Mr F.E Westmorland

We still have a lot of space in our externally run clubs which include Quicksticks on Tuesdays with Sacha and Tri Golf on Thursdays. There are also a couple of spaces in Dodgeball club with Mr B on Wednesdays. If you wish to sign your child up for a club, please return a consent slip to the office.

The Tri-Golf set up by Sacha on Thursday!

Maths Challenge

On Tuesday 3rd March, 4 Year 5 pupils went with Mr Blanche to Folkestone Academy for an exciting maths problem solving day! The 4 genius mathematicians (Kaleb, Sophie, Carla and Danny) did themselves and Mundella proud by tackling 6 gruelling rounds of maths problems! They showed resilience to tackle really challenging questions and should be really proud of themselves!

Thank you to Morrisons!

A huge thank you to Morrisons who generously donated 15 brand new children's books to Mundella for World Book Day, we are very grateful!

HAPPY WORLD BOOK DAY

On Friday we celebrated World Book Day, the children got the chance to choose which classroom teacher they wanted to have a story read to them by. There was a focus of 'share a million stories' this year.
