Term 4 Week 4  
March 2019

Headteacher: Mr F Westmorland  
Chair of Governors: Mrs A Ellerby

Dear Parents/Carers,

Curriculum, what is it and how do we make decisions about it?

It is always a challenge to ensure that the things we choose to 'teach' in schools meet the future needs of our pupils. When I was at school there were no home computers and the idea of mobile communication was reserved for Captain Kirk and Dr Spock. Today, these things are the norm yet the rate of change is still gathering momentum at a blistering pace.

What will our pupils be doing in ten years, what will their jobs look like, how will their children be accessing information?

Indeed, information is likely to be the key. People today have the broadest range of knowledge ever known available at the swipe and tap of a screen but, with all of that, how do we choose which to access and which to leave?

At Mundella we look to developing Values; and the knowledge and skills with which to use these in order to make decisions. Without a strong moral and social compass it is almost impossible to make good choices. Enabling our pupils to make good choices will enable them to progress in life.

Have a great weekend.

Mr Westmorland
