Term 4 Week 5

March 2022

## Dear Parents/Carers,

We continue to try our best to retain a sense of 'normality' here at Mundella. This final week sees us return to church for our Easter Service, if without parents, and also attempt our Spring Fair, as a replacement for our postponed Winter Fair. As well as these two events we also have birthday celebrations, values awards, good to be green rewards, Fantastic Fred, museum visit (for Y5), walks into our local area, Easter Bonnet parade and all wrapped up with our Living and Growing week!

Going to the beach, visiting family, a bit of DIY, watch the latest film or go bowling? I don't know what your plans are for the Easter break but I hope that you have a safe and restful time away from school. I will be going to the theatre, during the middle weekend, to catch the musical Moulin Rouge. It was an activity planned for 2020 but one or two things have got in the way between then and now.

Pupils, next week, may well be bringing a cardboard pot with some soil in it. This should have sunflowers seeds planted inside, which may be transplanted, such that they can be tended and grow over the Easter Break. The sunflower is the national flower of Ukraine. We are sharing these as a symbolic gesture to show that our thoughts and prayers are with all of those affected by the situation in eastern Europe.

On a lighter note, we look forward to you all joining us for the Spring Fair next Friday. Children will be taking all of their coats and bags to the school field and we ask parents to pick them up from there. Before leaving to go home you will have a chance to enjoy a range of games, activities and competitions. Any proceeds raised from the event will go towards the Mundella Playground Project.

With us returning to school on Tuesday 19<sup>th</sup> April, you have 17 days away from Mundella, 408 hours, 24,480 minutes, and just under one and a half million seconds. Whatever you choose to do over the break, please have fun, make the most of family and stay safe.

## Yesterday's Match Report

We lost 8-0 their pitch was bumpy and made it hard to play on.

I think man of the match should go to Harry for playing well and defending so many goal opportunities. We did try our hardest, everyone played great.
