Term 1 Week 7

October 2020

Dear Parents, Carers and friends of Mundella,

Another Friday, another term ends but what have we learned from the last seven weeks at school?

It is clear that the children and teachers have worked hard to make the most of their time together. Finding out interesting information, developing skills and using written and spoken language, number and creativity to communicate their ideas and share their knowledge.

The leadership, administration site and support teams have worked hard to keep the school open and keep the various systems and procedures finely tuned so that all runs smoothly.

I continue to be proud of the effort that our school team puts in and the fantastic outcomes that we see as a result. You too, parents and friends of Mundella Primary School, are part of the team and part of the successes that we experience.

Have a great half term break and we will see you all back on Monday 2nd November.

Does your child take part in any extra-curricular activities/clubs outside of school in the wider community?

If so, we would love to see a photo of them and hear a bit about it for a fantastic new display!

Please email them to office@mundella.kent.sch.uk by the end of half term.
