

Dear Parents/Carers,

Aspiration, what does it mean? This week we have been focussing on careers and what our children may want to do when they are older; from astronauts to artists, historians to health workers and technicians to teachers!

Visitors to the school this week have included Border Force, a doctor, a scientist, a falconry expert and even our local MP Damian Collins. All of these people have been invited with the hope that they might spark imaginations and raise aspirations, giving our children a glimpse into the people behind some of the careers that are out there.

I have been amazed by the work that has come out of these visits and I look forward to Careers Week being a permanent entry on our school calendar.

We have also had a special assembly, for our older children, about internet safety. The challenges around safe and appropriate use of the internet become difficult for parents and teachers to be informed about. The use of mobile devices has seen a considerable increase in the amount of time spent on the internet and, therefore, increased opportunities for misuse or abuse.

Although the assembly is a one off, we do make sure that internet safety is a regular point for discussion, both in lessons and assemblies, and we welcome any questions from you if you wish to have additional support or advice. Ensuring that our children are safe is always going to be a priority and by working in partnership we can ensure that this job is made easier.

Mr Westmorland

Well done to our Stars this week!

These children have impressed their class teachers in some way during this week, well done to all of them!

Mun Fun Run

The Mun Fun Run was a huge success and we managed to raise over £100 for The Meningitis Trust in an afternoon! Thank you to all the parents that came along and helped make this event fun. The children all took part and displayed great sportsmanship.

Change for Change

So far we have managed to raise a total of £40 for Mrs Earl's Change for Change project in Burkina Faso, which is enough to buy 4 solar powered lamps! These solar lamps help children who have no electricity to do their homework. We would appreciate any extra spare change collected in the classroom jars which will be counted at the end of term.

Goodbye Mrs Blomfield!

Next Friday Mrs Blomfield will be leaving us after being a member of the Mundella team for over 13 years! We wish her the best of luck and success with her future.
