Term 1 Week 3

September 2020

Dear Parents, Carers and friends of Mundella,

After three years at Mundella I sometimes sense that I am about to say the same thing in my weekly message that I have said in a previous newsletter however . . .

A week, they say, is a long time in politics and, in many ways, a great deal can happen in a week at Mundella. A side from all of the additional work that comes along with supporting our pupils, staff and their families with concerns around Covid 19, we continue to be working hard to squeeze as much learning as possible into our school week.

This week we are thrilled to have started our OLE programme. With Mr Evans at the helm, pupils from Years 4, 5 and 6 have been taking part in projects, either on our field or outside of school, designed to complement their class based learning whilst providing pupils with enriching experiences in the outdoors or at exciting locations. We look forward to these becoming even better when we have the use of our own minibus in a couple of weeks!

Have a great weekend.

Mr Westmorland

Learning Access

Whilst we hope dearly that no positive Covid-19 infections are confirmed for staff or pupils, we do have to make plans for each eventuality. You will have received a text requesting information as to whether you are able to access the Internet at home. This could be by phone, tablet, or PC/ laptop. This information will help us plan any remote learning should a child test positive, or a class bubble need to isolate. Please respond to the text by Monday, thank you.

Year 6 Residential

Due to the amended date for the Year 6 residential trip, the final payment now has the due date of 12th February. If you need to know how much you have paid/have left to pay then please ask to speak to Mrs Milton.

Data Collection Letter

Please ensure the data collection sheet is signed and handed back to school by 30th September, even if there are no changes to be made.

We must have at least 3 contact numbers so that we are able to make contact in an emergency.

DIARY

September

- 21-9-20 – after school Clubs Start
- 22-9-20 – 9:30am Virtual Harvest Festival

Year R - Buster

Year 1 - Ruben

Year 2 - Holly

Year 3 - Amelia

Year 4 - Emmy

Year 5 - Harrison

Year 6 - Danny

Outdoor Learning and Enrichment

This week saw the start of our exciting new curriculum project "Outdoor Learning and Enrichment". Years 4, 5 and 6 have been taking part in learning activities on the school field and on the beach this week. Year 4 have been learning about Roman legionnaires, melting wax, making postcards and whittling sticks to make pencils.

Year 5 have learnt about the Industrial Revolution and made a gigantic Victorian Invention timeline.

Year 6 have been to the beach and used binoculars and cameras to look at the ferries arriving and leaving the Port of Dover.

All children will get to take part in this new curriculum project at some point during this academic year!
