Term 3 Week 1
January 2019

Dear Parents and Carers,

What have you resolved to do (or stop doing) this year? I am trying to get more active and maybe lose a few pounds.

Are there any things that you feel you could do more of with regards to supporting your child's learning?

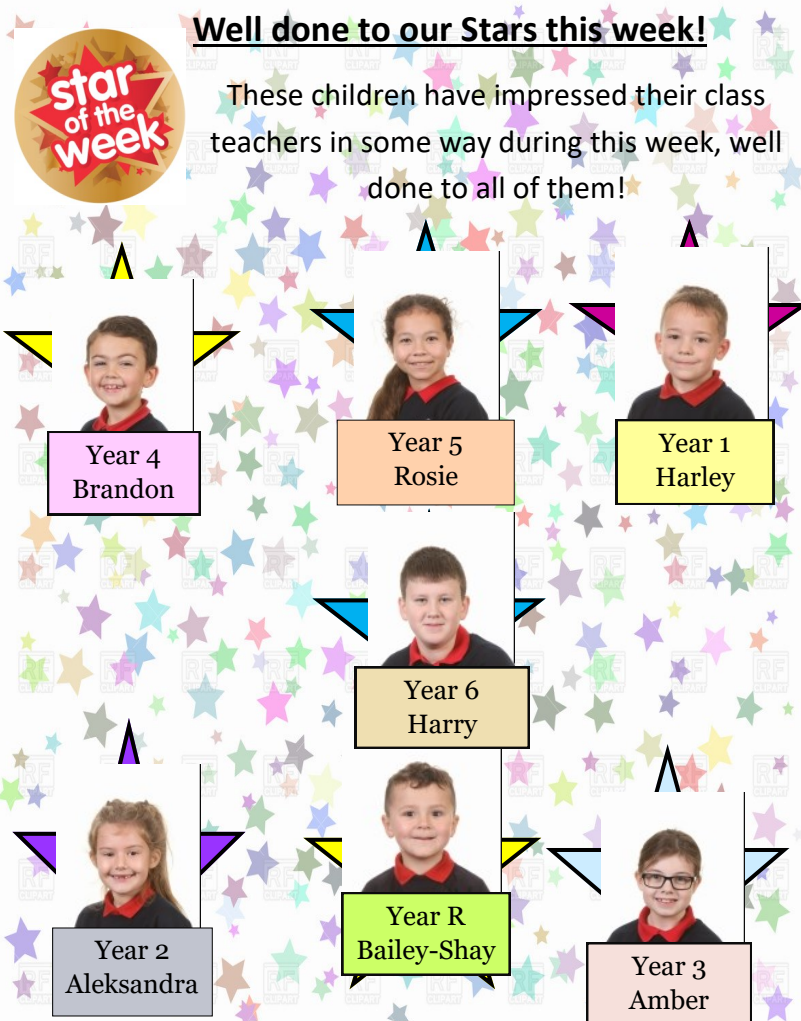

All of the classes have their homework grids and, if you look on our website, there are some pointers for supporting with reading and maths. Even just five minutes of reading and five minutes of maths, each day, will help to build good habits and ensure that your children are growing towards their full learning potential.

I am already looking at the term dates for next year so that you might have the best chances for organising holidays and additional childcare in 2019/20 (Easter could be a good time for a break). It is really important that holidays are not taken in term time as the immediate disruption often goes far beyond the time off and the lost learning may not always be easily recovered.

Mr Westmorland - Headteacher

Well done to our Stars this week!

These children have impressed their class teachers in some way during this week, well done to all of them!

Punctuality Pup and Attendance Ted!

With 97.8%% attendance this week, Year 2 will be looking after **Ted**– Well done **Rosen**!

Pup will go to Year 4 this week with the least amount of late marks– Well done **Browne**!
