Term 2 Week 4

November 2020

Dear Parents, Carers and friends of Mundella,

With Tiers being announced it is even clearer that we must support one another to keep our community safe and healthy; particularly as we move towards Christmas.

It is not surprising that we might become confused by the advice, rules and restrictions, however, keeping our hands clean, covering our faces and avoiding close contact is the best way to avoid transmitting the virus or becoming ill.

Make no mistake, people are getting very poorly and our hospitals are reducing the number of regular treatments and operations they do in order to cover absence and take care of Covid related illness.

Therefore, it is more important than ever to wear a mask, at all times, when visiting school, make phone calls rather than face to face visits and, please, **only one person** on the playground when picking up a child.
Thank you

Mr Westmorland

Christmas Cards

Due to the pandemic we will not be allowing the sharing of Christmas cards in class. We hope to arrange a safe alternative approach and will update you once this is in place.
