Term 4 Week 4

March 2021

Dear Parents, Carers and friends of Mundella,

Spring Forward - Don't forget that your clocks will change at the end of the weekend which will mean that you have one hour less in bed on Monday morning. Please have a little think about this as you work through your routine on Sunday.

You also need to remember that we break up on Thursday next week and, as is always the case before a large break, we are asking you to pick pupils up at 1:30pm that day.

Over the week we will be having some seasonal activities and crafty lessons; maybe even a hunt! But we are sorry that we can't yet invite you in to share in the activities as we would normally try to do.

After the Easter break, as part of our Springboard programme, Mrs Blunden will be working with groups across the school to promote learning in English and Maths. Joining our early year's team, for the remainder of the year, will be Mrs Hollingworth. She joins us as a very experienced teacher and has already been in to school to familiarise herself with the children, the environment and the way Mundella does things.

It looks as though we are going to enjoy some warm weather in the lead up to the break, let's hope that it stays long enough to enjoy.

Have a great weekend.

Mr Westmorland

## House Skipping Event

Children took part in a skipping house event today, skipping for 5 minutes and counting the amount of skips. An excellent effort was made by everybody but the overall winning house was Fire, congratulations!
