

118 Sandgate Road Folkestone Kent CT20 2BW

Dear Sir / Madam

We are writing to inform you of our latest updates regarding our plans for the next weeks and months leading up to Back to School this year.

Obviously due to the coronavirus pandemic this year will be a particularly challenging time for us all. In light of the governments guidelines we will remain closed until the government advice changes. However, we have been working very hard behind the scenes to prepare for when we can start receiving customers back into the store.

Our plans include reopening while continuing to follow social distancing measures. The stores new layout will allow only 2 sets of customers in at one time each with (1 Adult with 1child). Our staff will be wearing PPE and we will be sanitising all surfaces between customers. We have also installed a hand sanitising unit at the entrance and sneeze guards are in place on the counters. Unfortunately, changing room facilities will be suspended until further notice. With these steps in place we hope this will ensure the safety of our staff and customers.

We have also been producing a new style order form which will be available to download from our website. We have also attached a copy for the school to distribute if needed. The orders can then be posted out to the customer or can be collected from our collection point at the back of the store at an agreed date and time.

Alongside we are organising an appointment system which we hope to start in June if the government advice allows us to open. Unfortunately, this will not be available in August due to high volumes of customers. We can also offer a virtual appointment where our experienced staff can discuss sizes and give recommendations through a video call.

With all of this in mind we are asking for your cooperation in asking parents/ carers to shop as early as possible to ensure we can still offer the best service we can during the coming months. Parents do not need to worry about their child growing out of their uniform as we always allow for growth and our exchange policy is extended until the end of September.

We hope this has been of some help and if you have any further questions please do not hesitate to contact us. We have also attached a letter from the schoolwear association of which we are members as they have asked us to forward on their behalf.

Kind regards Alan & Joy
