### Single Equality Statement

The [Equality Information and Objectives](#) document, for Veritas MAT, provides a format for addressing the statutory duties of the Equality Act 2010 and The Children and Families Act 2014. This supersedes and brings together all previous statutory duties in relation to race, gender and disability and also addresses the duty to promote community cohesion, thus meeting the school's statutory duties in these areas.

### Governor Statement

The headteacher in each school is the leader of their school. Each member school has autonomy over its curriculum and provision and, while upholding the three core values of the trust, we expect each school to have an individual character relevant to the community it serves.

Each school has a Regional Governing Body. Warden House and Pilgrims' Way Primary Schools share a Regional Governing Body while Mundella Primary has its own Regional Governing Body. The Regional Governing Body sits six times a year. Each Regional Governing Body reports up to the MAT Board and Trust Members who quality assure their work.

The Regional Governing Body is responsible for a hub of up to three academies. The Regional Governing Body reports up to the Trust Board who quality assure their work. Veritas MAT has two Regional Governing Bodies.

Key areas of responsibility for the Regional Governing Body are:

#### **Standards, Finance and Audit, Human Resources, Infrastructure and Procurement**

The Executive Board consists of the CEO and Company Secretary / Trust Business Manager who run a team that support core operational tasks across the trust. Roles include finance, standards, research, training, school-to-school support and mentor-coaching. The CEO and a designated Trust Board Trustee also sit on the Regional Governing Body.

The Board of Trustees set the strategic direction, vision and ethos of Veritas Multi Academy Trust and are accountable to the Secretary of State for Education for standards across trust schools.

## **Aims**

At Mundella Primary School, the children and their learning are at the very heart of every decision made. We aim to develop learners who are passionate, take ownership of their learning and are proud of their achievements.

The ethos of our school is we want children and staff to 'aspire and achieve' during their school career and as graduates of Mundella. We aim for children to have high aspirations of themselves so that they can be the very best they can and are well prepared for secondary education. We aim for all children to achieve well so they and their parents are proud of their achievements.

The school will help the students to develop an inner discipline and will encourage pupils to not just 'follow the crowd' - they will make up their own minds and be ready to accept responsibility for what they do. They will grow through making choices and holding to the choices that they have made. They will want to be honest with themselves and with others.

## **Planning**

In planning lessons, teachers are aware of the need to plan opportunities to develop a wide variety of spiritual, moral, social and cultural needs. A vast majority will be delivered through cross curricular activities as well as specific PSHE, RE and Circle Time activities.

## **Spiritual Development**

Planned opportunities for spiritual development in all subjects can be seen across the school.

Children are given opportunities to reflect upon the meaning of spiritual experiences. Examples of experiences commonly regarded as spiritual include:

- Curiosity and mystery
- Awe and wonder
- Connection and belonging
- Heightened self-awareness
- Prayer and worship
- Deep feelings of what is felt to be ultimately important
- A sense of security, well-being, worth and purposefulness

The school will develop a climate or ethos within which all pupils can grow and flourish, respect others and be respected; accommodating difference and respecting the integrity of individuals.

These can occur during any part of the school day, eg. when listening to music, discussing the care needed for animals, exercising empathy or creativity, how we live, contemplating the future, etc.

## **Moral Development**

At Mundella Primary School we believe that a morally aware pupil will develop a wide range of skills. These can include the following:

- Distinguish right from wrong, based on knowledge of the moral codes of their own and other cultures
- Develop an ability to think through the consequences of their own and others' actions
- Have an ability to make responsible and reasoned judgements
- Ensure a commitment to personal values
- Have respect for others' needs, interests and feelings, as well as their own
- Develop a desire to explore their own and others' views, and an understanding of the need to review and re-assess their values, codes and principles in the light of experience

### **Our school develops pupil moral development by:**

- Providing a clear moral code as a basis for behaviour which is promoted consistently through all aspects of the school
- Promoting racial, religious and other forms of equality
- Giving pupils opportunities across the curriculum to explore and develop moral concepts and values – for example, personal rights and responsibilities, truth, justice, equality of opportunity, right and wrong
- Developing an open and safe learning environment in which pupils can express their views and practice moral decision making
- Rewarding expressions of moral insights and good behaviour
- Encouraging pupils to take responsibility for their actions, for example, respect for property, care of the environment, and developing codes of behaviour, providing models of moral virtue through literature, humanities, sciences, arts and assemblies; reinforcing the school's values through images, posters, classroom displays, etc. and monitoring in simple ways, the success of what is provided

## **Social Development**

At Mundella Primary School we recognise that pupils who are becoming socially aware are likely to be developing the ability to:

- Adjust to a range of social contexts by appropriate and sensitive behaviour
- Relate well to other people's social skills and personal qualities
- Work successfully, as a member of a group or team
- Share views and opinions with others
- Resolve conflicts maturely and appropriately
- Reflect on their own contribution to society
- Show respect for people, living things, property and the environment

- Exercise responsibility
- Understand how societies function and are organised in structures such as the family, the school

Our school develops pupil social development by:

- Identifying key values and principles on which school and community life is based
- Fostering a sense of community, with common, inclusive values
- Promoting racial, religious and other forms of equality
- Encouraging pupils to work co-operatively
- Encouraging pupils to recognise and respect social differences and similarities
- Providing positive experiences to reinforce our values as a school community – for example, through assemblies, team building activities, residential experiences, school productions
- Helping pupils develop personal qualities which are valued in a civilised society, for example, thoughtfulness, honesty, respect for difference, moral principles, independence, interdependence, self-respect and an awareness of others' needs
- Providing opportunities for engaging in the democratic process and participating in community life
- Providing opportunities for pupils to exercise leadership and responsibility

Providing positive and effective links with the world of work and the wider community

- Monitoring in simple, pragmatic ways, the success of what is provided

### **Cultural Development**

Children should be made aware of the diversity of other cultures both within modern Britain and throughout the world. This can be done through music, PE, art and many other curriculum areas.

Pupils who are becoming culturally aware are likely to be developing some or all of the following characteristics:

- An ability to reflect on important questions of meaning and identity
- An interest in exploring the relationship between human beings and the environment

**Our school develops pupils' cultural development by:**

- Extending pupils' knowledge and use of cultural imagery and language
- Encouraging them to think about special events in life and how they are celebrated
- Recognising and nurturing particular gifts and talents; providing opportunities for pupils to participate in literature, drama, music, art, crafts and other cultural events and encouraging pupils to reflect on their significance

- Reinforcing the school's cultural links through displays, posters, exhibitions, etc. As well as developing partnerships with outside agencies and individuals to extend pupils' cultural awareness, for example, theatre, museum and gallery visits
- Auditing the quality and nature of opportunities for pupils to extend their cultural development across the curriculum in collaboration with the subject leaders of PSHE, RE, MFL & School Council

### **Modern British Values:**

We have a duty to prepare our children for life in modern Britain and to keep them safe. We value the importance of the current Ofsted guidance.

What are British values?

- Democracy
- The rule of law
- Individual liberty
- Mutual respect for and tolerance of those different faiths and beliefs and for those without faith.

We prepare children to be positive citizens of their local and wider community through the delivery of RE, PSHE and other curriculum subjects. SMSC links are identified in each year groups curriculum map. Wider whole school events including visitors, school trips, assemblies etc enable children to apply their understanding of the four main values identified.
