Single Equality Statement

This Single Equality Scheme for schools in Mundella Primary School provides a format for addressing the statutory duties of the Equality Act 2010 and The Children and Families Act 2014. This supersedes and brings together all previous statutory duties in relation to race, gender and disability and also addresses the duty to promote community cohesion, thus meeting the school's statutory duties in these areas.

Our Access and Single Equality Scheme is available to view and download on our website.

Governor Statement

The Governing Body of Mundella Primary School works as a 'whole team', meeting 6 times per year; spread evenly across the year, without any separate committees excepting finance. In addition to these meetings, we have termly Governor Monitoring Visits (GMV); usually lasting around four hours and organised to effectively observe, scrutinise, challenge and support a range of school activities and personnel.

An agenda for each meeting and GMV will include all the tasks which the governing body is required to consider, and the governing body will plan assignments or activities; arising from the business of the meeting or that fall into the annual monitoring schedule, which will be recorded in the minutes and then undertaken as directed.

In addition to 'commissioning' activities or actions on their behalf, the governing body may wish to delegate monitoring activities to 'monitoring pairs' or 'individuals'. This could apply to statutory functions, and/or the priorities of the School Plan. They may also arrange to visit the school, or attend school activities, at any time; at the discretion of the Headteacher, to undertake monitoring activities as and when they are available to do so.

In each case, where a function has been delegated there is a statutory duty to report any action or decision to the governing body at the next meeting.

As a school we feel that it is important that the children come to school ready to learn and wearing the correct school uniform helps them to do this. The school wishes to promote a sense of pride and belonging in our children and believes that the wearing of a school uniform is one of the ways in which this can be achieved. The uniform is simple and practical, suited to the demands of a primary school education and economically priced. Items can be purchased from Channel Uniform.
