Single Equality Statement

The [Equality Information and Objectives](#) document, for Veritas MAT, provides a format for addressing the statutory duties of the Equality Act 2010 and The Children and Families Act 2014. This supersedes and brings together all previous statutory duties in relation to race, gender and disability and also addresses the duty to promote community cohesion, thus meeting the school's statutory duties in these areas.

Governor Statement

The headteacher in each school is the leader of their school. Each member school has autonomy over its curriculum and provision and, while upholding the three core values of the trust, we expect each school to have an individual character relevant to the community it serves.

Each school has a Regional Governing Body. Warden House and Pilgrims' Way Primary Schools share a Regional Governing Body while Mundella Primary has its own Regional Governing Body. The Regional Governing Body sits six times a year. Each Regional Governing Body reports up to the MAT Board and Trust Members who quality assure their work.

The Regional Governing Body is responsible for a hub of up to three academies. The Regional Governing Body reports up to the Trust Board who quality assure their work. Veritas MAT has two Regional Governing Bodies.

Key areas of responsibility for the Regional Governing Body are:

Standards, Finance and Audit, Human Resources, Infrastructure and Procurement

The Executive Board consists of the CEO and Company Secretary / Trust Business Manager who run a team that support core operational tasks across the trust. Roles include finance, standards, research, training, school-to-school support and mentor-coaching. The CEO and a designated Trust Board Trustee also sit on the Regional Governing Body.

The Board of Trustees set the strategic direction, vision and ethos of Veritas Multi Academy Trust and are accountable to the Secretary of State for Education for standards across trust schools.

As a school we feel that it is important that the children come to school ready to learn and wearing the correct school uniform helps them to do this. The school wishes to promote a sense of pride and belonging in our children and believes that the wearing of a school uniform is one of the ways in which this can be achieved. The uniform is simple and practical, suited to the demands of a primary school education and economically priced. Items can be purchased from various sources; named below.
