

Note from the Road

2 Hey friend!
13 I'm writing my postcard to you from a rest stop on
23 Route 66 – one of the most famous roads in the USA.
32 We joined the highway back in Chicago. That seems
44 like years ago but we still have a long way to travel
54 as the route is almost 4000 kilometres long! So far
64 we've seen the Land of Lincoln, the Will Rogers
71 Memorial, Cadillac Ranch and Tinkertown. I can't
81 wait until we get to the Grand Canyon; I've always
87 wanted to visit. Duke is filling
95 up the car and I've been sent to
102 buy snacks for the road so I must
110 dash! See you at the end of the
111 journey.
113 Love Jerry.
